Intermountain Square and Round Dance Association

ISRDA VISITATION QUALIFICATIONS

The Roadrunner and/or beep is awarded to Square or Round Dance club members of the Intermountain Square and Round Dance Association. To earn this badge a dancer must:

1) Make seven (7) visitations to at least four (4) different square or round dance clubs in the ISRDA. Attendance to an Association meeting, (as long as the dancer's home club does not host that meeting) will also be counted as a visitation.
2) The dancer may not consider attendance to their home club as a visitation. Dancers who belong to several clubs may use all but two (2) of the associated clubs for visitation.
3) The visits must be made on regular dance nights. Special dances do not count.
4) The dancer must attend an Association meeting to receive the award.
